10. Unidentified vessel Med-moored to quay (measurements undetermined). Inferior contrast precludes the location of the stern end-point of this vessel. Poor quality precluded the observation of a vessel in this position

25X1

11. Possible hull under construction on the center building way (measurements undetermined). Poor image quality precludes further interpretation.

25X1

25X1

12. Possible merchant vessel under construction on the southernmost building way (measurements undetermined). Poor quality imagery precludes further interpretation of this vessel.

25X1

NOTE: All measurements have been made by CIA/IAS.
